### **Issues Raised in the Office Action**

Claims 1 to 12 are currently pending in the application. In the Office Action the Examiner objected to the drawings and indicated that Claim 7 was rejected under 35 U.S.C. § 112 as being indefinite; Claims 8-11 were rejected under 35 U.S.C. § 102(e) as being anticipated by Anderson et al. (US 6,694,683); claim 12 was rejected under 35 U.S.C. § 102(e) as being anticipated by Baermann (US 3,456,374); and claims 1-7 were rejected under 35 U.S.C. § 103(a) as being unpatentable over Stanley et al. (US 6,460,279) in view of Tsai (US 5,662,447). The Applicant offers the following amendment and remarks in response and by which, the Applicant believes, allowable subject matter is achieved.
